## Tap Into Billions of Dollars in Public Contracting Opportunities

### The Governor's Office leads the way to show you how

There are billions of dollars of public contracting opportunities in Oregon, each of which offers opportunities for local small businesses in communities throughout the state. The Governor's Marketplace Statewide Editions, partnered with Business Oregon, Department of Administrative Services and Secretary of State, break down barriers to public contracting and help connect small businesses to an array of resources, tools, and networking opportunities to make public contracting more accessible. **These events are free to all attendees.** Contractors licensed with the CCB can receive continuing education credits for learning about public contracting. Hours are based upon total number of sessions attended.

**When?** May 22, 2018

**Where?** Southwestern Community College (Curry Campus) located at 96082 Lone Ranch Parkway, Brookings OR 97415 - Krieger Community Room

**Time?** Check-In begins at 7:00am. Event is from 7:30am to 1:00pm.

**FREE REGISTRATION:** [https://2018gmp\\_swocc\\_currycounty.eventbrite.com](https://2018gmp_swocc_currycounty.eventbrite.com)
