WHEREAS, the monarch butterfly is an iconic North American species whose multi-generational migration and metamorphosis from caterpillar to butterfly has captured the imagination of millions of Americans; and

WHEREAS, the monarch is also extremely beneficial, pollinating many cultivated flowers and crops, and serves as an indicator species for the ecological health of large geographic areas; and

WHEREAS, the total population at over 200 Western monarch overwintering sites in California has been hovering at quasi-extinction levels (fewer than 30,000 butterflies in both 2018 and 2019) compared with millions during the 1980’s; and

WHEREAS, in the summer of 2019, Brookings experienced a rare phenomenon with thousands of monarch eggs having been laid throughout the City resulting in a statewide rescue effort to foster more than 3000 eggs to trained volunteers in 12 different cities throughout Western Oregon; and

WHEREAS, the City of Brookings, assisted by the Brookings Oregon Monarch Advocates, has played a leadership role by becoming the first Monarch City USA in the State of Oregon in May 2017 and by supporting two successful Monarch Butterfly Festivals in 2018 and 2019 with the next to be held in September 2020; and

WHEREAS, with the unanimous consent of the Brookings City Council, Mayor Pieper has recently signed the National Wildlife Federation’s Mayors’ Monarch Pledge to encourage our residents to make a difference for the monarch by planting native milkweed and nectar plants to provide habitat for the monarchs and pollinators in locations where people live, work, learn, play and worship;

NOW BE IT RESOLVED, that I, Jake Pieper, Mayor of the City of Brookings, do hereby proclaim the month of March as,

Monarch Butterfly Awareness Month

BE IT FURTHER RESOLVED that all citizens are encouraged to plant milkweed and nectar sources, so that monarch butterflies have the resources necessary to produce successive generations and sustain their spectacular migration through the City of Brookings.

In Witness Whereof, I, Mayor Jake Pieper, do hereto set my hand and cause the official seal of the City of Brookings, Oregon, to be affixed this 24 day of February, 2020.

Mayor Jake Pieper
BRUCE'S BODACIOUS BAZAAR  
At Azalea Park

I would like to propose utilizing Azalea Park for a Farmer's Market event the 1st. & 3rd Saturday of each month (on available weekends) beginning May 30, 2020 and running through Oct. 10, 2020. I will be using the Bandshell for an Open Mic and other musical guests, there will be Merchants, Food Vendors, Produce, Beer Garden and a variety of Kids Activities. I would like to see if I could get the City Council to be a part of event by suggesting that on all promos it would read "The Insider of S. Oregon & the City of Brookings present" and hopefully bring the fee for the Park down a bit. I am really looking forward to bringing another great event to the area and to Brookings in particular. I have always wanted to do something outside of the Port that would benefit the community and I am looking forward to addressing the council on bringing "Bruce's Bodacious Bazaar" to the town.

Thank you, Bruce Ellis

TOURISM PROMOTION ADVISORY COMMITTEE (TPAC) MINUTES
Thursday – December 12, 2019

CALL TO ORDER
Meeting called to order at 4:04 PM

1. ROLL CALL
Present: Committee members Tim Kennedy, Dane Tippman, Skip Watwood, Bob Pieper
Absent: Sonya Billington, Barbara Ciaramella, Matt Honeycutt
Also present: Staff Committee Liaison Lauri Ziemer, City Manager Janell Howard

2. APPROVAL OF MINUTES
Motion made by Dane Tippman to approve the minutes of November 14, 2019; motion
seconded by Tim Kennedy. Committee voted and the motion carried 4-0.

3. PUBLIC COMMENT – Mike Carr-Fredericks advised that his business, Chetco Brewing Company had
made the 100 Best "Fan Favorite" destinations in Oregon for 2020. Being on the list will bring additional
exposure to Brookings and wanted TPAC to continue marketing efforts to encourage tourism in the
area.

4. ACTION ITEMS –
a. Mile x Mile Print Advertising – Alicia Spooner presented a print advertising campaign, offering a two
page spread in the yearly magazine for the cost of $2,243.19. The magazine is printed two times a
year and distributed throughout the state and to tourism outlets. TPAC has allocated funds for print
advertising in the Mile x Mile in the past and believe it to be beneficial marketing. Motion made by
Dane Tippman to allocate $2,243.19 in TPAC funds for the 2020 Mile x Mile Print
advertising campaign; motion seconded by Bob Pieper. Committee voted and the
motion carried unanimously.

5. INFORMATIONAL ITEMS
   a. TPAC Budget - Committee reviewed budget numbers, noting that event funds are not being
      requested.

6. Committee Comments on Non-Agenda Items – Dane and Bob attended the Azalea Festival
   planning meeting and were encouraged about the planning and coordination being done. Dane also
   wondered if the Port might be someone to partner up with for marketing/advertising, but it was not
   known if they have a specific budget for it.

8. ADJOURNMENT – with no further business the meeting adjourned at 4:45 pm.

Respectfully submitted,

Skip Watwood, Chair
(approved at January 9, 2020 meeting)

BROOKINGS PLANNING COMMISSION

2019 YEAR IN REVIEW

The Brookings Planning Commission met in quorum ten times in 2019. The Commission is made up of seven members and currently has one vacancy. It is chaired by Gerald Wulkowicz with Tim Hartzell serving as Vice Chair. The other members of the Commission include: Skip Hunter, Clayton Malmbarg, Cody Coons and Bill Dundom. Cheryl McMahan retired from the Commission in August after serving 11 years. Tony Baron serves as Public Works and Development Services Director and Lauri Ziemer as Planning Tech.

In 2019 the City engaged the services of Lane County of Governments (LCOG) who assisted staff with the Riparian Protection Overlay Zone Ordinance that was adopted by the City Council in April, 2019.

During the year the Planning Commission acted on the following matters:

- Approval of seven Conditional Use Permits as short term rentals.
- Approval of four Minor Changes. The Minor Changes included two for change of ownership in a Conditional Use Permit, one for a change of a Bed & Breakfast to a short term rental and one change reducing a 33 unit residential care facility to a ten bed medical office facility with parking lot changes and improvements.
- Approval of one Minor Partition splitting one parcel into three.
- Commission participated in two Joint City Council/Planning Commission workshops to add the Riparian Ordinance and in discussing future urban renewal district projects.

Upcoming 2020 Planning Commission agenda items include reviewing a temporary housing ordinance, Land Development Code Changes on C2 Zoning language and an annexation.

The Planning Commission looks forward to the upcoming year and serving the residents of Brookings with a fair and unbiased decision making process as well as advising the Brookings City Council on matters affecting its residents.

Subject: Liquor License Application

The Brookings Police Department found no local disqualifying information prohibiting Samuel Athayde or Constance Athayde with their attached Limited On-Premises liquor license application. The business “Tropicalia Brazilian Cuisine, LLC” is located at 777 Cottage St. Brookings, Oregon. It is the recommendation of the Brookings Police Department the above mentioned applicants be granted their request with final approval coming from the Oregon Liquor Control Commission.

Respectfully submitted,

Motion to adopt ordinance 20-O-785 amending the Brookings Municipal Code Chapter 17, Section 17.52.020 Permitted Uses.

Financial Impact: None

Background/Discussion Staff recently reviewed a request from a local business to relocate their garden supply/florist store, which is an outright use in a Shopping Center Commercial C-2 zone, to a lot in a General Commercial C-3 zone. The Land Development Code (LDC) currently has provisions for C-2 zone but our zone map doesn’t indicate any land for this use.

Staff is proposing to add a provision in a C-3 zone to allow any outright permitted use in the C-2 zone.

The same issue occurs for uses in a C-1 zone which is referenced as an outright permitted use in a C-2 zone.

The proposed addition has minimal impact as there are currently several businesses identified as an outright use in a C2 zone operating in a C3 zone.

The Planning Commission at its February 4, 2020 meeting approved a recommendation to Council for the approval of file LDC-1-20.

Staff recommends the approval of file LDC-1-20 and the adoption of Ordinance 20-O-785 amending the Brookings Municipal Code, Chapter 17.52.020 Permitted Uses.

Recommended Motion:

Move to approve file LDC-2-20 and adopt ordinance 20-O-786 amending the Brookings Municipal Code Chapter 17, Section 17.180 Workforce Housing.

Move to adopt file LDC-2-20 and adopt ordinance 20-O-786 amending the Brookings Municipal Code Chapter 17, Section 17.180 Workforce Housing.

Financial Impact: None

Background/Discussion: On August 8, 2019, Governor Brown signed HB 2001, which established that off-street parking and owner-occupancy requirements are not “reasonable local regulations relating to siting and design.” This means that, even if a local development code requires off-street parking and owner-occupancy, effective January 1, 2020, local jurisdictions may not mandate off-street parking spaces for ADU’s nor require a property owner to live in either the primary or accessory dwelling. The law provides an exception for ADUs that are used as vacation rentals, which may be mandated to provide off-street parking or have owner occupancy requirements.

ADU requirements within HB 2001 affects cities with a population greater than 2,500 and counties with a population greater than 15,000 (and jurisdictions of any size that seek to allow more housing choices within urban growth boundaries).

The City of Brookings Land Development Code currently has provisions for ADU’s within Chapter 17.180 Workforce Housing. The code as it reads now requires revision.

Staff recommends the approval of file LDC-2-20 and the adoption of ordinance 20-O-786 amending the Brookings Municipal Code, Chapter 17.180 Workforce Housing.

(additions are bold and underlined, deletions are bold-and-strikeout)

Chapter 17.180

WORKFORCE HOUSING

17.180.040 Accessory dwelling unit.

C. Only the property owner may apply for an ADU. The property owner must occupy the primary dwelling as their primary residence. A "primary residence" shall be the residence where the owner is registered to vote, used as the primary residence for tax purposes, or with other proof that the residence is primary. The owner shall sign an affidavit before a notary affirming that the owner occupies the primary dwelling. A deed restriction shall be recorded and a copy provided to the city declaring the accessory dwelling unit status of the subject property.

F. Deleted One-off-street parking space shall be provided for the ADU in addition to the two off-street parking spaces required for the primary dwelling pursuant to Chapter 17.92 BMC.
HB 2001 Section-by-Section Summary

SECTION 1: Placement of new requirement in statute

Places section 2 in ORS 197

SECTION 2: Middle housing inclusion mandate

Section 2(1) Definitions:

- "cottage cluster": 4 or more detached units per acre with a 900 sq. ft. footprint and shared courtyard
- "Middle Housing": duplexes, triplexes, quadplexes, cottage clusters and townhouses
- "Townhouses": row of 2 or more attached units with at least one common wall between units, each on individual lots/parcels

Sections 2(2) – 2(4) Requirements:

- Section 2(2) Cities outside Metro with populations 25,000 or more and cities within Metro with populations of 1,000 (per section 2(4)) or more must allow development of:
  - All middle housing types in areas zoned for residential use that allow for the development of detached single-family dwellings AND
  - A duplex on every lot or parcel zoned for residential use that allows single-family dwellings

- Section 2(3) Cities outside Metro with populations more than 10,000 and less than 25,000 shall allow the development of:
  - A duplex on each lot or parcel zoned for residential use that allow for development of detached single-family dwelling
  - These cities may also allow other middle housing types in these areas

- Section 2(4) The areas that are not impacts are:
  - Lands not in a UGB
  - Unincorporated lands without sufficient urban services (ORS 195.065)
  - Lands not zoned for residential use, including lands zoned primarily for commercial, industrial, agricultural or public uses OR
  - Lands that are not incorporated and are zoned under an interim zoning designation that maintains the land's potential for planned urban development

Section 2(5) Permitted regulatory options

- Can regulate siting & design
  - These regulations cannot individually or cumulatively discourage development of all middle housing types permitted in the area through unreasonable costs or delay
- Can regulate to comply with "protective measures adopted pursuant to statewide land use planning goals"
- Can permit middle housing in areas not included in requirement
- Can allow single-family dwelling units to be built

SECTION 3: Timing and Enforcement for compliance with mandates

Section 3(1) Timing

- Cities included under section 2(2) must complete their comprehensive plan revision implementing section 2 by June 30, 2022
- Cities included under section 2(3) must complete their comprehensive plan revision implementing section 2 by June 30, 2021

Section 3(2) DLCD Model

DLCD shall develop a model middle housing code by December 31, 2020

Section 3(3) Enforcement

If city does not update their comprehensive plan by the deadlines set in section 3(1), the model ordinance developed under section 3(2) shall be directly applied until revisions are adopted

Section 3(4) Incentives

Cities shall consider ways to increase the affordability of middle housing through ordinances/policies that include, but are not limited to:
- Waiving/deferring system development charges
- Adopting or amending criteria for property taxes AND
- Assessing a construction excise tax

Section 3(5) Transportation system plan update

Actions taken under section 2 does not require the city to consider whether the amendments significantly affect an existing or planned transportation facility
SECTION 4: Extension for underserviced areas

Sections 4.1 - 4.2 Extension

DLCDCan grant an extension for completion of the requirements under Section 2 for specific areas within the city if:

the city has identified water, sewer, storm drainage or transportation service that are either significantly deficient or are expected to be significantly deficient before December 31, 2023

the city has a plan of action to remedy the deficiency in the services approved by the department, extension cannot exceed the period of time by which the city plans for remedy.

Section 4.3 Areas not under extension

Areas not provided an extension must apply the change in comp plan adopted under section 2 or the model code under section 3 if they do not have a local update in place.

Section 4.4 - 4.6 Process

Deadline for filing

- Cities included under section 2(2) must file by June 30, 2021.
- Cities included under section 2(3) must file by December 3 2020.

Deadline for decision

- DLCDC must rule on an extension for cities under section 2(2) within 120 days of receipt of a complete application.
- DLCDC must rule on an extension for cities under section 2(3) within 90 days of receipt of a complete application.

Form & Substance of application

- DLCDC shall create an application for extension by rule and may include rules regarding:
  - Defining the affected areas.
  - Calculating the deficiencies of water, sewer, storm drainage or transportation services.
  - Service deficiency levels required to qualify.
  - Components and timing of a remediation plan to qualify.
  - Standards for evaluating applications AND
  - Establishing deadlines and components for approval of the plan of action.

SECTION 5: Housing Capacity Calculations and Actions

Amendments to ORS 197.296 (Buildable lands capacity analysis for residential land in Metro and cities over 25,000 in population)

- Adds language to the requirement of tasks the local government must complete during periodic review or legislative review of the comp plan/regional framework related to UGB and applying the housing goal under ORS197.296(3)(b):
  - Cities/Metro conduct analysis of existing and projected housing need by type.
  - In accordance with all factors under ORS 197.303.

- Amends language related to the applicable data to be used to determine housing capacity under ORS 197.296(5):
  - Deletes application of section to determination of housing need.
  - Amends reference from section (3) of ORS 197; 296-to-refer-to-section-(3)(a) of ORS 197.296.
  - Changes the period of data to be considered to data collected since the last review or six years, whichever is greater.
  - Adds data to be considered:
    - Market factors that may substantially impact future urban residential development; and
  - Deletes the following data from consideration:
    - (C) Demographic and population trends
    - (D) Economic trends and cycles;
  - Changes the exception for using a wider geographic area or longer time period by deleting the reference to "for economic cycles and trends" under ORS 197.296(5)(b) and applies to all data considered.

- Amends requirements for addressing a finding that need is greater than capacity under ORS 197.296(6):
  - Changes language under ORS197.296(6) to allow a city to take action under one or both (instead of "more" in current statute).
  - Amends option related to updating its comprehensive plan, regional framework plan, functional plan or land use regulation under ORS197.296(6)(b):
    - Deletes requirement that the local government monitor and record the level of development activity and development density by housing type following the date of the adoption of the new measures; or
    - Adds requirement that the local government adopt findings regarding the density expectations assumed to result from measures adopted under this paragraph based upon the factors listed in ORS 197.303 (2) and data in subsection (5)(a) of this section. The density expectations may not project an increase in residential capacity above achieved density by more than three percent without quantifiable validation of such departures. For a local government located outside of a metropolitan service district, a quantifiable validation must demonstrate that the assumed housing capacity has been achieved in areas that are zoned to allow no greater than the same authorized density level within the local Jurisdiction or a jurisdiction in the same region. For a metropolitan service district, a quantifiable validation must demonstrate that the assumed housing capacity has
been achieved in areas that are zoned to allow no greater than the same authorized density level within the metropolitan service district.
- Deletes option of a combination of the actions under paragraphs (a) and (b) under ORS 197.269(c), which is allowed by the language change in the section (6) language
- Defines "authorized density" as a density that was the meaning given that term in ORS 227.175.
- Amends ORS 197.269(7) to use the housing need analysis conducted under ORS 197.296(3)(b)
- Amends ORS 197.269(8)(b) to require the monitoring of actions taken under ORS 197.296(6) and (7) following the adoption of these actions. (Timing is currently not specified)
- Amends ORS 197.269(9) add requirement that the local government adoption actions under ORS 197.296(6) and (7) shall ensure that land zoned for needed housing is ... in areas where sufficient urban services are planned to enable the higher density development to occur over the 20-year period.

SECTION 6: Needed housing definition

Amends ORS 197.303 (defining needed housing)
- Expands the sections of the ORS to which the definition applies to ORS 197.295 to 197.314
- Adds a new subsection (2)-(4):
  - (2) For the purpose of estimating housing needs, as described in ORS 197.296(3)(b), a local government shall use the population projections prescribed by ORS 195.033 or 195.036 and shall consider and adopt findings related to changes in each of the following factors since the last periodic or legislative review or six years, whichever is greater, and the project future changes in these factors over a 20-year planning period:
    - (a) Household sizes;
    - (b) Household demographics in terms of age, gender, race or other established demographic category;
    - (c) Household Incomes;
    - (d) Vacancy rates; and
    - (e) Housing costs.
  - (3) A local government shall make the estimate described in subsection (2) of this section using a shorter time period than since the last periodic or legislative review or six years, whichever is greater, if the local government finds that the shorter time period will provide more accurate and reliable data related to housing need. The shorter time period may not be less than three years.
  - (4) A local government shall use data from a wider geographic area or use a time period longer than the time period described in subsection (2) of this section if the analysis of a wider geographic area or the use of a longer time period will provide more accurate, complete and reliable data relating to trends affecting housing need than an analysis performed pursuant to subsection (2) of this section. The local government must clearly describe the geographic area, time frame and source of data used in an estimate performed under this subsection.
- Renumbered current subsections (2) & (3) to (5) & (6)

SECTION 7: ADU regulation amendment

Amends ORS 197.312 as amended in 2018 to require the inclusion of AOUS on lots that allow single-family dwellings
- Add a limit on "reasonable local regulations":
  - (B) "Reasonable local regulations relating to siting and design" does not include owner-occupancy requirements of either the primary or accessory structure or requirements to construct additional off-street parking.
- Clarifies ability to regulate short term rentals:
  - (6) Subsection (5) of this section does not prohibit local governments from regulating vacation rentals, as defined in ORS 90.100, to require owner-occupancy or off-street parking.

SECTION 8: Severely rent burdened community requirements

Amends the laws adopted in 2018 related to requirements for cities with a population greater than 10,000 that are severely rent burdened for reporting and meeting requirements
- Deletes section (l)(c):
  - (c) A single-family unit may be rented or owned by a household and includes single-family homes, townhomes, row homes and mobile homes.
- Adds new units of housing required for reporting:
  - (g) Accessory dwelling units.
  - (h) Regulated affordable accessory dwelling units.
  - Units of middle housing, as defined in section 2 of this 2019 Act.
  - (j) Regulated affordable units of middle housing.

SECTION 9: Conversion building code process

Amends ORS 455.610 to allow for local options for conversion of single-family units into duplexes, tripolices or quadplexes

Adds the following requirements:
- (8) The director, by rule, shall establish uniform standards for a municipality to allow alternate approval of construction related to conversions of single-family dwellings into no more than four residential dwelling units built to the Low-Rise...
Residential Dwelling Code that received occupancy approval prior to January 1, 2020. The standards established under this subsection must include standards describing the information that must be submitted before an application for alternate approval will be deemed complete.

- (9)(a) A building official described in ORS 455.148 or 455.150 must approve or deny an application for alternate approval under subsection (8) of this section no later than 15 business days after receiving a complete application.
  - (b) A building official who denies an application for alternate approval under this subsection shall provide to the applicant:
    - (A) A written explanation of the basis for the denial; and
    - (B) A statement that describes the applicant's appeal rights under subsection (10) of this section.

- (10)(a) An appeal from a denial under subsection (9) of this section must be made through a municipal administrative process. A municipality shall provide an administrative process that:
  - (A) Is other than a judicial proceeding in a court of law; and
  - (B) Affords the party an opportunity to appeal the denial before an individual, department or body that is other than a plan reviewer, inspector or building official for the municipality.

- (c) Notwithstanding ORS 455.690, a municipal administrative process required under this subsection is the exclusive means for appealing a denial under subsection (9) of this section.

- (11) The costs incurred by a municipality under subsections (9) and (10) of this section are building inspection program administration and enforcement costs for the purpose of fee adoption under ORS 455.210.

SECTION 10: Report relating reducing costs

Adds requirement that the Department of Consumer and Business Services create a report on reducing the costs and administrative barriers to development

Adds the following reporting requirement:
- It is the policy of the State of Oregon to reduce the extent practicable administrative and permitting costs and barriers to the construction of middle housing, as defined in section 2 of this 2019 Act, while maintaining safety, public health and the general welfare with respect to construction and occupancy.
- The Department of Consumer and Business Services shall submit a report describing rules and standards relating to low-rise residential dwellings proposed under ORS 455.610, as amended by section 9 of this 2016 Act, in the manner provided in ORS 192.245, to an interim committee of the Legislative Assembly related to housing no later than January 1, 2020.

SECTION 11: Technical placement of statute

Places section 12 in ORS94.550 to 94.783 (Relating to planned communities and their governing documents)

SECTION 12: Planned Unit Development governing documents

Any provision in a governing document of a planned unit development created after this bill goes into effect that preempts the development of middle housing is unenforceable.

- Adds provision to ORS 94:
  - A provision in a governing document that is adopted or amended on or after the effective date of this 2019 Act, is void and unenforceable to the extent that the provision would prohibit or have the effect of unreasonably restricting the development of housing that is otherwise allowable under the maximum density of the zoning for the land.

SECTION 13: Deed Restrictions

Adds provisions to the law:
- A provision in a recorded instrument affecting real property is not enforceable if:
  - (1) The provision would allow the development of a single-family dwelling on the real property but would prohibit the development of:
    - (a) Middle housing, as defined in section 2 of this 2019 Act; or
    - (b) An accessory dwelling unit allowed under ORS197.312(S); and
  - (2) The instrument was executed on or after the effective date of this 2019 Act.

SECTION 14: Operative Date

Sets an operative date of January 1, 2020 for section 1, 5-9, and 12-13. Allows DLCD and DCBS to take action necessary to meet the duties assigned in the bill prior to January 1, 2020.

SECTION 15: Technical Assistance

Provides $3.5 million for DLCD to provide as technical assistance to local jurisdictions subject to requirements of the bill. Prioritizes funds to cities with limited planning staff or that commit to early implementation.

SECTION 16: Emergency Clause

The bill goes into effect upon passage and signing into law.
CITY OF BROOKINGS
COUNCIL AGENDA REPORT

Meeting Date: February 24, 2020

Originating Dept: PW/DS

Subject: Building Code Amendments Ordinance

Recommended Motion:
Move to adopt Ordinance 20-O-788 amending the Brookings Municipal Code Chapter 15.05.010 Adoption of Codes.

Financial Impact: None

Background/Discussion:
The State of Oregon Building Codes Division has revised Chapter 1 (Scope and Administration), Section 101.2 Scope, of the Oregon Structural Specialty Code (OSSC) to exclude a list of 26 building activities from regulation under this code. A new list of 20 building activities has been established in Section 101.2 that are consistent with the purpose and scope of the code thereby granting municipalities the ability to enact local ordinances in order to regulate these building activities.

The City of Brookings has historically understood that the 26 building activities included in OSSC Section 101.2 Scope, were established to ensure that these building activities conformed to the health, safety, and energy efficiency standards contained in the code. Staff is proposing a local ordinance in order to subject the now exempt 20 building activities listed in OSSC Section 101.2, and believe that this best serves the health and welfare of the community.

Staff recommends Adoption of Ordinance 20-O-788 amending the Brookings Municipal Code, Chapter 15.05 Building Codes, Section 15.05.010 Adoption of Codes.

Sections:

Section 1. Ordinance Identified.
Section 2. Amend Section 15.05.010, Adoption of Codes.

The City of Brookings ordains as follows:

Section 1. Ordinance Identified. This ordinance amends Section 15.05.010, Adoption of codes, and adds chapter 15.10, Non Habitable Structures, of Brookings Municipal Code.

Section 2. Amend Section 15.05.010. Section 15.05.010, Adoption of Codes, is hereby amended to read as presented in Exhibit A attached hereto with additions designated in bold and underlined and deletions being bold and struck out.

Building Codes Adoption Ordinance

Changes to BMC:
[Additions are bold and underlined. Deletions are bold and strikeout]

AMEND 15.05.010:

15.05.010 Adoption of codes.

From the effective date of the ordinance codified in this chapter, the construction, alteration, repair, demolition, moving, use or occupancy of a structure within the jurisdiction of the city of Brookings shall comply with the standards and requirements of the following codes, as now exist or as hereafter amended, each of which are hereby adopted by this reference into the ordinances of the city of Brookings. Also by this reference the city adopts those provisions of the Oregon Administrative Rules which implement these codes. The building official shall enforce the regulations and provisions set forth in the codes and the Oregon Administrative Rules as if the same were set forth herein.

A. The currently adopted Oregon Structural Specialty Code, including the appendices adopted by the state of Oregon and specifically adopting Appendix J, and Appendix H, except as hereinafter specifically modified.

1. Those types of construction activities listed in Section 101.2 as outside of the authority of the Oregon Structural Specialty Code, but within the authority of municipalities to regulate by local ordinance. Such activities shall be subject to the relevant construction standards contained in the current Oregon Structural Specialty Code.

B. The currently adopted Oregon Mechanical Specialty Code;

C. The currently adopted Oregon Plumbing Specialty Code;

D. The currently adopted Oregon Residential Specialty Code; provided, however, that ORS 455.320 shall not be applicable.

E. The currently adopted Oregon Fire Code and referenced NFPA standards;

(1) Section 203 is modified to read as follows: Citations for violations shall be issued in conformance with Brookings Municipal Code Section 8.15.090; General abatement procedure, 8.15.100; Summary abatement and 1.05; Penalties.

(2) Section 701.1 is modified by deleting the last sentence of the paragraph.

(3) Section 901 is modified by substituting the term “City Manager or designee” for the term “public services director” and “finance and human services director” for the term “clerk”

(4) Section 902 is modified by substituting the term “finance and human Services director” for the term “clerk”
(5) Section 903 is modified by substituting the term “finance and human services director” for the term “clerk.”

(6) Section 905 is modified to read as follows:

“905. Assessment. After the proceedings described in Section 904 of this code, the Municipal Court Judge may order that the said charge be imposed as a special assessment against the real property involved and cause the same to be entered in the docket of City liens and thereafter the said assessment shall constitute a lien against said property.

(7) Sections 906, 908, 909, 910, 911 and 912 to be omitted.

G. The currently adopted Oregon Manufactured Dwelling Standards;

H. The currently adopted State of Oregon Parks and Camps Rules. [Ord. 14-O-733 § 2; Ord. 10-O-656 § 2; Ord. 07-O-588 § 2; Ord. 06-O-575; Ord. 96-O-349.D § 3; Ord. 93-O-349.C §§ 2 – 5; Ord. 90-O-349.B § 1; Ord. 90-O-349.A §§ 2, 3, 4; Ord. 86-O-408 § 2; Ord. 81-O-349 § 1.]
Subject:
Transient Occupancy Tax (TOT) Fund Allocation for the Earth Day 2020 event.

Recommended Motion:
As recommended by the Tourism Promotion Advisory Committee (TPAC), move to allocate $500 to Southern Oregon Climate Action Now (SOCAN) for the Earth Day 2020 event.

Financial Impact:
$500 allocated from TOT revenues set aside for tourism promotion.

Background/Discussion:
Bill Gorham and Karen Cunningham of SOCAN submitted a request for TPAC funding assistance in the amount of $500 for an event celebrating the 50th anniversary of Earth Day scheduled April 18, 2020. The event will feature educational and informational speakers, Earth Day themed displays, projects for kids, demonstrations and music. Funds are requested to assist with advertising the event and encourage visitors from outside the area to attend.

This matter was considered by TPAC at their February 13, 2020 meeting. TPAC members discussed the type of tourists the event would draw, participating sponsors, the activities being conducted and event costs.

TPAC recommended by a unanimous vote of granting $500 from TOT funding for the event.

Brookings, OR 97415

Dear TPAC Committee Members,

I am writing you to request $500 in funding for our celebration of the 50th anniversary of the first Earth Day from 1970. The event will be held on Saturday, April 18, 2020 at the Curry Campus of the Southwestern Oregon Community College from noon until 5:00. The event is free to all interested participants.

As described in the attached flyer for our celebration, we will have educational/informational tables for organizations to explain what they do to protect and enhance our natural resources. Organizations range from the US Forest Service and Bureau of Land Management to the Audubon Society, the Curry Watershed Protection Councils, the Wild Rivers Permaculture Guild, and the Brookings Oregon Monarch Advocates. We will also have 20-minute talks by many of these organizations as well as experts in other areas such as forest management, waste recycling, energy efficiency, alternative energy sources, and climate change. The final presentation will be a five-person panel that will discuss what the next decade and beyond holds for Curry County and adjacent areas.

In addition to the information tables and speakers, we will have displays of Earth Day themed art from kids, teens, and adults, demonstration of electric cars owned by local residents, music and poetry from local artists, and locally grown foods. To encourage students interested in the natural environment, we will have counselors available to talk with students about potential job training and opportunities. To support that outreach, we will have a silent auction of prizes donated by local businesses and organizations with all proceeds going to a scholarship at SWOCC for a student pursuing a course of studies related to protection of the natural environment.

To maximize the turn out of this celebration and achieve the best results, we seek to publicize the event as widely as practical in an effort to bring in attendees from Curry County and beyond. We’re pursuing all cost-free options but recognize the critical value of distributing and posting printed materials. We are asking TPAC for $500 to cover the costs of this advertising and, in turn, would list the City of Brookings as a co-sponsor of this event.

If you have any questions or would like additional information, I would be happy to address your committee at the TPAC meeting at which our request for funds will be considered.

Thank you for your time and attention.

Sincerely,

Bill Gorham, Ph.D.

**Activities:**

**TABLE FAIR:** Meet the people who care for the rivers, forests and animals of the Curry & Del Norte coast. Learn about current local and global environmental issues and what our communities are doing to protect our abundant and beautiful region. College advisors will be present to talk with prospective students about how to jumpstart a career in science.

**PRESENTATIONS:** Listen to concise 20-minute presentations about environmental issues affecting Curry & Del Norte Counties now and in the future. Hear about local solutions for alternative energy, resiliency of the community in a time of severe weather, ocean acidification and other consequences of climate crisis.

**FILMS & VIDEOS:** Watch short films and videos on a variety of environmental topics.

**FOOD & ENTERTAINMENT:** Enjoy Earth Day art entrees ---- hear local poets -- -- listen to or even sing along with folk music ---- enjoy light refreshments.

**PRIZES:** Compete for prizes from participating organizations, such as trees to plant suitable for plant Zone 9. Support local community efforts by trying your luck in a silent auction in which proceeds are dedicated to a scholarship for a student attending SWOCC and pursuing a path in environmental science. Win door prizes by getting stamps from each information table on a collectable Earth Day card.
**Event Title:** 50th Anniversary of Earth Day  
**Amount Requested:** $500.00

**Organization:** Coastal SOCAN (Southern Oregon Climate Action Now).

**Event Description:** A celebration of the 50th anniversary of the first Earth Day in 1970. We will have information/education tables for 15-20 organizations focusing on environmental activities including the Watershed Protection Councils, Audubon Society, Ocean Coastal Energy Alliance Network, Wild Rivers Permaculture Guild, and others. We will have 14 presentations on topics from Monarch Butterflies and Ocean Acidification to forest restoration and permaculture. We'll be showing short films, displaying electric cars, and have a panel about Curry County in the coming decades. We'll also have displays of art from local artists with the theme of environmental stewardship. Please see the attached flyer for our event.

**Event Date/s:** Saturday, April 18, 2020

**Location:** Curry Campus of Southwestern Oregon Community College (SWOCC)  
**Location secured?** Yes ☑ No ☐

**Event Goals:** We seek to provide a stimulating educational event that will encourage active discussions and the sharing of information about the natural world. We wish to foster conversations across a range of ages and social groups about finding solutions to the environmental challenges that we face here in Curry County as our natural world changes. We want to engage as many people as possible so we can find solutions to the many challenges the future will bring. To support our educational efforts, we're holding a silent auction with all proceeds going to a scholarship to a SWOCC student at the Curry campus studying natural resources or a related field.

**How will this event be sustained after the first year?** We expect that with a good inaugural event, we will have good, on-going organizational support to staff information tables and present stimulating talks. Coastal SOCAN will also hold fundraising events throughout the year.

**Sponsors/Investors:** We are seeking local businesses to donate items for the silent auction and natural resources organizations to staff the information/education tables. We have not identified all our sponsors yet. There are no investors.

**Event Budget**

**How do you intend to evaluate the success of your event and determine the number of out of town visitors?**

As part of our educational tables, we will have participants fill out "passports" by getting a stamp from each table. Once their card is filled, they will receive a small gift such as a coupon for a discounted beverage or free coffee. They will also deposit their card in a bowl for a drawing for a final larger prize. Each passport will have contact information to let them know if they won the prize so they won't have to be in attendance for the final drawing. We'll review that information to assess local residents verses out of town visitors.

Council authorized City Manager in August of 2019 to enter into an agreement with the Dyer Partnership in the amount of $54,502 to complete the design of the parking lot. The design was funded from the Capital Reserve Fund.

Background/Discussion: City Staff applied for a local government grant in 2019 offered by Oregon Parks and Recreation Department (OPRD) for the Azalea Park Ball Field Reconfiguration-Phase 4 project which included an upgrade of the Capella parking lot and the development of a picnic shelter near Kid Town. The grant application was denied. Phase 1, 2 and 3 of the Azalea Park Ball Field Reconfiguration project have been completed over the past five years funded by grants totaling $870,323 and City required matching funds.

NCH initiated the process with a request to partner with the City to complete the Capella parking lot project. Available safe parking is difficult during the holiday event. It had been staff and NCH goal to have the parking lot constructed by the opening of the holiday event in 2019 but the unsuccessful attempt at the OPRD local government grant delayed the schedule. Natures Coastal Holiday in the past has also funded the installation of 8 light poles at a cost of approximately $13,060. NCH has raised approximately $50,000 to date for upgrades to the Capella parking lot.

On January 23rd the Parks and Recreation Commission voted to recommend Urban Renewal Agency approve the use of urban renewal funds for the development of the Capella parking lot at Azalea Park. Urban Renewal Agency approved the use of the funds for the project at its January 27, 2020 meeting.
