

**IN THE MUNICIPAL COURT OF THE CITY OF BROOKINGS  
COUNTY OF CURRY, STATE OF OREGON**

RULE 8: Record of Proceedings

IT IS HEREBY ORDERED AS FOLLOWS:

1. Except as provided for in this Order, recording of any or all of the Court proceedings shall not be allowed.
2. In accordance with House Bill 2316, Section 11, effective July 1, 2015, any party to a proceeding in this Court may arrange for audio-only recording or reporting of the proceeding by stenographic or other means. In order to arrange such recording the party shall submit a Notice of Intend to Record Proceedings (Notice) and identify therein the means of such recording prior to any recording taking place. Other than the method identified, no other method of recording shall be permitted without submission of a new Notice, which then will supersede and replace all prior notices. Submission of such notice shall excuse that party from compliance with order, otherwise prohibiting the use of recording devices, for the period of time during which the particular proceeding to which the Notice applies is being heard in court.
3. Unless otherwise agreed between the parties, any such recording shall be made at the sole expense of the party submitting the Notice. In no instance shall the Court incur any expense with relation to recording or facilitating such recording.
4. No recording or any part of a recording of the proceeding may be used by any party during the proceeding.
5. No recording or any part thereof shall be designated as the official record of the proceeding.

Dated this First day of November, 2020.

Gary Milliman, Municipal Court Judge
